If He brought
us through
yesterday,

He will carry
us through
today and
prepare us for
tomorrow.

September Inspirational Gem

“Remembering His Faithfulness” “Remember the wonders He has done, His miracles, and the judgments He pronounced.” — Psalm 105:5 As we enter the month of September, let us pause and remember. Remember where God brought us from, the prayers He answered, the doors He opened, and even the doors He closed for our protection. Remember those moments when we didn't know how we would make it—but God made a way. Sometimes, in the busyness of life, we can forget just how faithful God has been. September allows us to look back—not to live in the past, but to gain strength from what God has already done. If He brought us through yesterday, He will carry us through today and prepare us for tomorrow. VAMWMW Sisters, let us remember His faithfulness and move forward with renewed faith, gratitude, and expectation.
