

I'm Free

Lord, you said that I am free to let go.
Free to live a beautiful life.
Free to have unspeakable joy inside.
Free to be who you called me to be.
Free to come before your people boldly.
Free from being afraid of what is ahead.
Free to talk to you as a daughter should.
Free to feel your love.
Free to walk in victory.
Free to live the best life you have designed for me.
Free to believe.
Free to dream.
Free to speak life into anything.
For the tongue is as sharp as a double-edged sword.
So, I will not speak unto this life anything that causes harm.
Free to release all hurt, pain, and misery.
Free to place them at your feet.
Free to walk away and forget.
Free to smile.
Free to laugh.
Free to experience you in every way.

I am **"FREE."** Thank You, God, for **"FREEDOM."**
