

Matthew 9: 37,38; He said to His disciples, "A large crop is in the fields, but there are only a few workers. Ask the Lord in charge of the harvest to send out workers.

Galatians 6:7- Do not be fooled. You cannot cheat God. People harvest only what they plant.

It is Harvest Time

Elizabeth Seton wrote: "When something so rich a harvest is before us why do we not gather it? All is in our hands if we use it." The time has come for us to gather the items that we have planted in our garden. It is time to see just how they have grown or are they still seeds in the ground that we forgot to water during this year. It is harvesting time, and it is time to see how much you have grown, how much you have taken in and how much you have advanced in your personal relationship with God. As children of God, it is time for looking at our lives and begin cutting out those things that is coming between us and the Lord. It is hard sometime to cut out the things that we like to do, but if it goes against the will of God, it is time to start cutting them out.

In a few weeks we will be observing Thanksgiving Day, and we will sit around the table with our families and friends. We will eat, laugh, and talk about how good God has been to us throughout the year and hand how thankful we are for all of the blessings we have received. It is during this time we need to reflect and reevaluate our lives and our own relationship with God, asking ourselves how many times have I taken God for granted during the year?

It is harvest time again and God is still looking for true worshippers, and true workers that are willing to be His example. The Word reminds us that there are many people to harvest the crops, but so few workers willing to go that extra mile to bring more to God. He is looking for those that will stand on His word and let Him change your thinking and then you will know what is pleasing to Him. (Romans 12:2)

The Season has changed from summer to fall, time has changed from Daylight Saving Time back to Eastern Standard Time. Your life has changed, you are a year older than what you were last year, you may have more aches and pains than last year, but the question is **"What do you have to change in your relationship or your growth during this time of change and harvest?"** Is it time to change from discontent to being content? Is it time to change from your bad attitude to an attitude of gratefulness? Is it time to change unforgiveness to forgiveness? Is it time to change thinking you are better than someone else to say humbly, Lord I am available to you, use me Lord I am yours? No matter what you need to do to change, remember it is harvest time, a time for the gathering and getting rid of those things that are of no use to you and your walk with the Lord.

Change is easy, just call on the Lord.
