

Christmas Changes Things

The very first Christmas changed everything. Christmas shouldn't end, but continue to change things...our lives... when we welcome the gift of Jesus
Christmas changes us when we:

Accept like Mary
Yield like Joseph.
Believe like Zechariah.
Rejoice like Elizabeth.
Share like the Shepherds
Wait like Simeon.
Worship like Anna.
Seek like the Magi.
Learn unlike Herod.

Christmas continues as long as we allow it to change us and, through us, to change the world.

Let us welcome the continuation of Christmas.
Emmanuel...God is with us.
