

A Giving Heart

Followers of Christ should generously give to help other materially or through acts of encouragement. We should follow the example of our heavenly Father who did not spare His only Son but gave Him up for us...our sins.

Happy are those who...

- **Give love** rather than demand it.
- **Reach out to others** rather than expect to be reached out to.
- **Desire to be a friend** more than to have friends
- **Express appreciation** rather than expect it
- **Relieve suffering** rather than think only of ourselves.
- **Pray that God bless others** more than God bless ourselves.
- **Think of others' good points**, not their failings.
- **Forget ourselves in doing deeds** that will be remembered.

These are some of the ways that focus on putting the concerns of others above our desires.

Thank you Lord for giving our Sisterhood "A Giving Heart"
