

We enter the month of August thanking God for being our loving father. We thank Him for being our provider, our comforter, and our guide. We thank Him for being that one constant in our lives. He is a God who never changes and never fails. He is the one through whom we live, move, and have our very being. He is our God, and we are His people. He has divinely and intricately created us to operate in peace. He has empowered us to stand and to shine for Him. In the midst of every challenge, every storm, and every circumstance we can rest assured that the creator of peace will comfort and keep us in His care.
