

“SISTERS CONTINUING TO MAKE A DIFFERENCE

by Building Up, Reclaiming, and Strengthening each other in such a time as this.”

Nehemiah 8:10b

A GREAT START

What a great way to start this administration, by building up, reclaiming, and strengthening our sisterhood. Just as Nehemiah recognized that the people of Israel, who had been captured by Persia, were down trodden, even though they were being sent back to Jerusalem. We too recognize that many sisters in our sisterhood may feel left out, forgotten, and even unloved.

The greatest aim during this tenure is to build up, reclaim, and strengthen each and every sister in the sisterhood. For Nehemiah said in Chapter 2 and verse 17, “Let us rise up and build.”

The question may be asked, “How will we do it?” The answer is, “The joy of the Lord is our strength.” Neh. 8:10

Here is how we can build up one another:

Be kind – Be friendly, generous and considerate.

Understanding – Know that each of us go through tests and trials.

Impressive – Show godlike character.

Love – Generously appreciate and treasure one another.

Devote – Be determined to show loyalty, affection, and dedication.

Unconditional - There are no holds barred when it comes to our sisterhood.

Peace – Strive to have the freedom from any disturbance when it comes to a sister.

**FOR THE JOY
OF THE
LORD IS
YOUR
STRENGTH**
